## DRB Green Procurement Policy

DRB contributes to society by fulfilling corporate social responsibilities for environmental preservation and natural resource conservation through green procurement activities, and practices eco-friendly management and promotes sustainable growth by gradually increasing the scale of green procurement.

1. DRB performs green procurement activities under the corporate philosophy of honesty, sincerity, and trust.
2. DRB's green procurement activities consider eco-friendliness throughout the entire process including supply, transportation, and unloading. We prioritize eco-friendly products whenever possible.
3. DRB strongly recommends eco-friendly products (subsidiary materials, consumables, etc.) to strengthen environmental management activities.
4. DRB monitors green procurement performance and discovers eco-friendly products for company-wide application to reduce environmental risk and contribute to sustainable growth.
5. DRB leads green procurement activities including discovery and introduction of eco-friendly materials for sustainable environmental development.
